**INDEPENDENT AUDITOR'S REPORT ON REVIEW OF INTERIM FINANCIAL RESULTS**

**Review Report to**  
**The Board of Directors**  
**The Sandur Manganese & Iron Ores Limited**

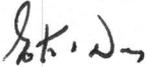

We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **The Sandur Manganese & Iron Ores Limited** ("the Company"), for the quarter ended **June 30, 2018** (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 ("the Circular").

The preparation of the Statement in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 and with the Circular is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the aforesaid Indian Accounting Standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Notes :**

2. The figures for the three months ended on 31 March 2018 are the balancing figures between audited figures in respect of full financial year and the published year to date figures upto third quarter.
3. These financial results have been prepared in accordance with Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and in terms of the Listing Regulations, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
4. Post the applicability of Goods and Service tax (GST) with effect from 1st July 2017, sales are required to be disclosed net of GST. Revenue from operations for the quarter 30 June 2018 are not comparable with the previous period presented in the results.
5. Effective April 01, 2018, the Company has adopted Ind AS 115 Revenue from Contracts with customers under the modified retrospective approach without adjustment of comparatives. The Standard is applied to contracts that remain in force as at April 01, 2018. The application of the standard did not have any significant impact on the retained earnings as at April 01, 2018 and financial results for the current quarter.
6. During the quarter ended 31st December 2017, the Company has reviewed that the point of transfer of risks and rewards for revenue recognition on sale of Manganese and Iron ore under e-auction has changed such that point of sale is shifted from that of actual despatch of minerals to the completion of e-auction sales and receipt of money from the buyer.  
Had the Company used the earlier estimate of point of sale for revenue recognition, its Revenue from operations for the year ended 31st March 2018 would have been lower to the extent of Rs.2,023.57 Lakhs and for the quarter ended June 30, 2018 would have been lower to the extent of Rs.2,191.47 Lakhs . However, the effect of such change in estimate has not been considered in the comparative reported prior interim periods."
7. The Board of Directors of the Company at their meeting held on 14 February, 2018 have approved the Scheme of Amalgamation ("the draft Scheme") of Star Metallics & Power Pvt Ltd, (Subsidiary company), with the Company effective from the appointed day of 1 April, 2018. Requisite adjustment will be carried out subsequent to compliances/ approval of appropriate authorities in the books of the Company.
8. The above results of The Sandur Manganese and Iron Ores Limited ("the Company"), for the quarter ended June 30, 2018 have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on August 11, 2018 . The statutory auditors have carried out limited review of the same.
9. The figures of the previous periods have been regrouped / reclassified where necessary.
