Dear Sir / Madam,

Sub – Clarification on Price Movement
Ref – Script Code 504918

This is in reference with price movements in the share price of the Company.

We would like to re-affirm that all the material information, that have a bearing on the operation/performance of the Company which include all price sensitive information under Regulation 30 of the Securities Exchange Board of India [Listing Obligations and Disclosure Requirements) Regulations, 2015 ["Listing Regulations"), have always been disclosed by the Company within the stipulated time.

Further, there is no additional information, which in our opinion may have a bearing on the price behaviour of the Company scrip, that needs to be reported/ disclosed to the Exchange. The prices are market driven and the designated persons have neither sought for pre-clearance for undertaking trade in the securities of the Company in this week nor undertaken any trade in the securities of the Company in contravention of the SEBI (Prohibition of Insider Trading) Regulations, 2015.

Trust this clarification shall suffice.

Thanking you.

Yours Sincerely,
for The Sandur Manganese & Iron Ores Limited

Divya Ajith
